RESPONSE

Dear Sir:

In response to the office action mailed May 17, 2004, applicants respectfully request the examiner to consider the accompanying remarks. The examiner continues to maintain that applicants did not fully respond to an objection to the drawings, which was presented in the October 3, 2003 office action. For the reasons set forth below, applicants continue to believe they fully responded to that objection in communications filed on November 21, 2003 and February 24, 2004. If the examiner continues to find that applicants have not fully responded (notwithstanding their arguments to the contrary), applicants respectfully request that the objection to the drawings be carried over to a new office action, or, alternatively, be held in abeyance until allowable subject matter is indicated.
